BILL HULL

Bill's passion is to help the church return to its disciple-making roots and he considers himself a discipleship evangelist. This God given desire has manifested itself in 20 years of pastoring and the authoring of many books. Two of his more important books, Jesus Christ Disciple Maker and The Disciplemaking Pastor, have been in print 20 years.

Brandon is co-founder of The Bonhoeffer Project and the lead pastor at Long Beach Christian Fellowship. He studied at Wheaton College (IL), Jerusalem University College, Brandeis University, and The Oxford Centre for Hebrew and Jewish Studies. He became convinced that his work—and the work of the church—is to become fully committed to discipleship and making disciple-makers.
